ENACTED LAW SUMMARY

Public Law 2021, chapter 350 makes the following changes to the laws governing residential real property contracts.

1. 2. It specifies information that must be included in an option contract for the purchase of real property or rent-to-own real property including basic terms of the contract and certification that the real property meets the warranty of habitability under state law subject to the provision in the law that authorizes a waiver for a stated reduction in payment or other specified fair consideration.
3. It specifies the conditions under which an option contract for the purchase of real property or rent-to-own real property may be terminated.
