The liability coverage requirements do not apply when a shared vehicle owner makes an intentional or fraudulent material misrepresentation or omission to a car sharing program or when a shared vehicle owner acting in concert with a shared vehicle driver fails to return a shared vehicle pursuant to the terms of a car sharing program agreement.

4. The law requires car sharing programs to comply with specific disclosures to shared vehicle owners and shared vehicle drivers related to insurance coverage and to contact information in case of emergency.
5. Before a vehicle is made available for car sharing, the law requires car sharing programs to verify that a shared vehicle does not have any safety recalls on the vehicle for which repairs have not been made and prohibits a shared vehicle owner from making a vehicle available until the safety recall repair is made.
6. The law establishes record keeping requirements for car sharing programs, including records pertaining to the use of shared vehicles and to shared vehicle drivers.
7. The law provides that the car sharing program has sole responsibility for any equipment out, in or on the shared vehicle to monitor or facilitate the car sharing transaction and that the car sharing program shall indemnify and hold harmless the vehicle owner for any damage to or theft of such equipment during a car sharing period not caused by the vehicle owner.
