from Other Jurisdictions**

**ENACTED LAW SUMMARY**

Public Law 2021, chapter 642 implements the legislative intent of Public Law 2021, chapter 167. It clarifies that certain documentation and fee waivers may be authorized only in situations of extreme and demonstrated hardship. It also adds language to the powers of the Department of Professional and Financial Regulation, Office of Professional and Occupational Regulation and to certain licensing entities within the office to clarify that the licensing entities are required to establish a process for licensure by endorsement for each license that the licensing entities determine is appropriate for licensure by endorsement despite any conflicting statutory language. It clarifies that an applicant to the licensing entities within the office may apply under the application process of the applicant's choice.

In addition, the law allows the Office of Professional and Occupational Regulation and the licensing boards and commissions within the office to issue a license by endorsement on a case-by-case basis to an applicant for licensure by endorsement that has met the requirements of Title 10, section 8003-H before rules pursuant to the section are finally adopted.
