STATE OF MAINE

131ST LEGISLATURE
SECOND REGULAR SESSION

LEGISLATIVE DIGEST OF BILLS AND SUMMARIES OF ENACTED LAWS

This *Legislative Digest of Bills and Summaries of Enacted Laws* provides the disposition of all LDs and summaries of all laws enacted or finally passed during the Second Regular Session of the 131st Maine Legislature. Please note that all LDs and proposed amendments may be found through the Legislature's webpage, and each includes a summary of what the bill or amendment proposed.

The *Legislative Digest of Bills and Summaries of Enacted Laws* is arranged alphabetically by committee. Within each committee section is a subject index of all LDs considered by that committee as well as a digest of the LDs, arranged by LD number. Also included are enacted law summaries of the LDs enacted or finally passed. Brief analyst notes on certain LDs are also included: a committee digest will indicate if additional notes are provided for an LD. These notes add information staff found useful and may provide useful information to users of this *Digest*; please note that most LDs do not have a note and lack of a note should not be interpreted as having any significance. A separate section of the *Digest* provides a digest of the relatively few LDs that were not referred to a committee or reported from a committee as a committee bill; enacted law summaries of the LDs enacted or finally passed are provided. Finally, an appendix provides a summary of relevant session statistics.

The final disposition of each LD is noted in the relevant summary digest and index. The following describes the various final actions.

The effective date for non-emergency legislation enacted in the Second Regular Session of the 131st Legislature is Friday, August 9, 2024. The effective date for legislation enacted as an emergency measure may be found in the enacted law summary for that legislation.

JOINT STANDING COMMITTEE ON HEALTH AND HUMAN SERVICES

LD 299 An Act to Correct Language Related to Medicaid Coverage for Children

ENACTED LAW SUMMARY

Public Law 2023, chapter 597 makes changes to the statutory language regarding the Children's Health Insurance Program. It removes the statutory references to higher family income and lower family income limits for infants and children under 19 years of age to provide the Department of Health and Human Services with future flexibility to maximize funding sources through the Children's Health Insurance Program. It standardizes language for Medicaid coverage for persons 19 and 20 years of age to be consistent with current policy. It also changes the name of the Cub Care program to the Children's Health Insurance Program and updates cross-references.

LD 435 Resolve, to Require the Department of Health and Human Services to Report on Children's Residential Treatment Services and Implementation of the Department's Strategic Priorities for Children's Behavioral Health Services

ENACTED LAW SUMMARY

Resolve 2023, chapter 158 requires the Department of Health and Human Services to review relevant data and conduct an analysis on the capacity, occupancy and availability of and access to children's residential treatment services in the State and the residential treatment services located outside of the State that are being provided to children who normally reside in this State. By January 2, 2025, the department must submit to the joint standing committee of the Legislature having jurisdiction over health and human services matters a report summarizing the data and results of the analysis of children's residential treatment services, an update on the department's progress in implementing its strategic priorities developed in 2019 to implement the children's behavioral health services plan for Maine developed by the department's Office of Child and Family Services and a summary of the department's current priorities to ensure the availability, quality and consistency of and access to behavioral health care services for children.

Resolve 2023, chapter 158 was finally passed as an emergency measure effective March 28, 2024.

LD 536 An Act to Provide Natural Organic Reduction Facilities for Maine Residents for the Conversion of Human Remains to Soil

ENACTED LAW SUMMARY

Public Law 2023, chapter 676 directs the Department of Health and Human Services to adopt rules regarding the treatment of human remains by natural organic reduction as an alternative to burial in a casket or cremation. Natural organic reduction is the contained accelerated conversion of human remains to soil. The law requires the department to license natural organic reduction facilities and to certify certain employees of these facilities.
