**LEGISLATIVE DIGEST OF BILLS AND  
SUMMARIES OF ENACTED LAWS**

This *Legislative Digest of Bills and Summaries of Enacted Laws* provides the disposition of all LDs and summaries of all laws enacted or finally passed during the First Regular and First Special Sessions of the 131st Maine Legislature. Please note that all LDs and proposed amendments may be found through the Legislature’s webpage, and each includes a summary of what the bill or amendment proposed.

The *Legislative Digest of Bills and Summaries of Enacted Laws* is arranged alphabetically by committee. Within each committee section is a subject index of all LDs considered by that committee as well as a digest of the LDs, arranged by LD number. Also included are enacted law summaries of the LDs enacted or finally passed. Brief analyst notes on certain LDs are also included: a committee digest will indicate if additional notes are provided for an LD. These notes add information staff found useful and may provide useful information to users of this *Digest*; please note that most LDs do not have a note and lack of a note should not be interpreted as having any significance. A separate section of the *Digest* provides a digest of the relatively few LDs that were not referred to a committee or reported from a committee as a committee bill; enacted law summaries of the LDs enacted or finally passed are provided. Finally, an appendix provides a summary of relevant session statistics.

The final disposition of each LD is noted in the relevant summary digest and index. The following describes the various final actions.

### **LD 404 Resolve, to Direct the Department of Transportation to Implement the Recommendations of the Mountain Division Rail Use Advisory Council**

#### **ENACTED LAW SUMMARY**

Resolve 2023, chapter 89 directs the Department of Transportation, subject to available funding resources, permitting and municipal agreements, to remove 31 miles of state-owned inactive existing railroad track between the Town of Standish and the Town of Fryeburg and replace the track with an interim 10-foot-wide bicycle and pedestrian trail, surfaced with either pavement or stone dust on the existing rail bed.

### **LD 456 An Act to Support the Safe Use of Bicycles and Roller Skis**

#### **ENACTED LAW SUMMARY**

Public Law 2023, chapter 334 clarifies that traffic includes bicycles and roller skis when making a left turn on 2-way roads. It prohibits a person operating a motor vehicle near a person operating a bicycle or roller skis and proceeding in the opposite direction from making a left turn unless the turn can be made with reasonable safety and without interfering with the safe and legal operation of the bicycle or roller skis.

### **LD 467 Resolve, to Study Accessible Electric Vehicle Charging Stations**

#### **ENACTED LAW SUMMARY**

Resolve 2023, chapter 53 directs the Commissioner of Transportation to convene a working group on accessible electric vehicle charging stations. The working group consists of at least nine members appointed by the Commissioner of Transportation. The commissioner must appoint two chairs from the members. The working group must develop a document that simplifies and standardizes the U.S. Access Board's Design Recommendations for Accessible Electric Vehicle Charging Stations for use by contractors and other parties interested in design and installation. This document may include user accessibility, charging station aisle width and design, equipment placement, signs and other elements. The working group must develop standards regarding accessibility for local code enforcement. The Department of Transportation must provide necessary staffing services to the working group. No later than January 3, 2024, the working group must submit a report to the Joint Standing Committee on Transportation that includes its recommendations, including suggested legislation.
