**LEGISLATIVE DIGEST OF BILLS AND  
SUMMARIES OF ENACTED LAWS**

This *Legislative Digest of Bills and Summaries of Enacted Laws* provides the disposition of all LDs and summaries of all laws enacted or finally passed during the First Regular and First Special Sessions of the 131st Maine Legislature. Please note that all LDs and proposed amendments may be found through the Legislature’s webpage, and each includes a summary of what the bill or amendment proposed.

The *Legislative Digest of Bills and Summaries of Enacted Laws* is arranged alphabetically by committee. Within each committee section is a subject index of all LDs considered by that committee as well as a digest of the LDs, arranged by LD number. Also included are enacted law summaries of the LDs enacted or finally passed. Brief analyst notes on certain LDs are also included: a committee digest will indicate if additional notes are provided for an LD. These notes add information staff found useful and may provide useful information to users of this *Digest*; please note that most LDs do not have a note and lack of a note should not be interpreted as having any significance. A separate section of the *Digest* provides a digest of the relatively few LDs that were not referred to a committee or reported from a committee as a committee bill; enacted law summaries of the LDs enacted or finally passed are provided. Finally, an appendix provides a summary of relevant session statistics.

The final disposition of each LD is noted in the relevant summary digest and index. The following describes the various final actions.

*FAILED, EMERGENCY ENACTMENT or FINAL PASSAGE*..... emergency failed to receive required 2/3 vote  
*FAILED, ENACTMENT or FINAL PASSAGE*..... failed to receive final majority vote
