FIRST REGULAR AND FIRST SPECIAL SESSIONS

**LEGISLATIVE DIGEST OF BILLS AND
SUMMARIES OF ENACTED LAWS**

This *Legislative Digest of Bills and Summaries of Enacted Laws* provides the disposition of all LDs and summaries of all laws enacted or finally passed during the First Regular and First Special Sessions of the 131st Maine Legislature. Please note that all LDs and proposed amendments may be found through the Legislature's webpage, and each includes a summary of what the bill or amendment proposed.

The *Legislative Digest of Bills and Summaries of Enacted Laws* is arranged alphabetically by committee. Within each committee section is a subject index of all LDs considered by that committee as well as a digest of the LDs, arranged by LD number. Also included are enacted law summaries of the LDs enacted or finally passed. Brief analyst notes on certain LDs are also included: a committee digest will indicate if additional notes are provided for an LD. These notes add information staff found useful and may provide useful information to users of this *Digest*; please note that most LDs do not have a note and lack of a note should not be interpreted as having any significance. A separate section of the *Digest* provides a digest of the relatively few LDs that were not referred to a committee or reported from a committee as a committee bill; enacted law summaries of the LDs enacted or finally passed are provided. Finally, an appendix provides a summary of relevant session statistics.

JOINT STANDING COMMITTEE ON VETERANS AND LEGAL AFFAIRS

3. It provides that a political committee, political action committee, ballot question committee, other committee, firm, partnership, corporation, association or organization may not make contributions to a candidate in support of the candidacy of one person aggregating more than the amount that an individual may contribute to that candidate.
4. It updates the limits on contributions to candidates based on the current limits, which are adjusted every two years based on the Consumer Price Index as reported by the United States Department of Labor, Bureau of Labor Statistics and rounded to the nearest amount divisible by \$25.
5. It provides that contributions made by a for-profit or nonprofit corporation, including a parent, subsidiary, branch, division, department or local unit of a corporation, and contributions made by a political committee or political action committee whose contribution or expenditure activities are financed, maintained or controlled by a corporation are considered to be made by that corporation, political committee or political action committee. It clarifies when two or more entities are treated as a single entity and provides that a sole proprietorship and its owner are treated as a single entity.
6. It removes the limits on contributions to leadership political action committees and limits on contributions to separate segregated fund committees.

It also requires the Commission on Governmental Ethics and Election Practices, in consultation with the Attorney General, to develop legislation necessary to regulate contributions made by business entities to candidates and political action committees and contributions accepted by leadership political action committees. The commission is directed to submit a report by February 1, 2024 to the Joint Standing Committee on Veterans and Legal Affairs, which may report out legislation related to the report to the Second Regular Session of the 131st Legislature.

LD 731 An Act Regarding the Licensing of Persons to Conduct Advance Deposit Wagering

ENACTED LAW SUMMARY

Public Law 2023, chapter 440 repeals the provision of law that directs the Department of Public Safety, Gambling Control Board to award, through a competitive bidding process, one bidder the privilege to be licensed to conduct advance deposit wagering and instead allows commercial tracks, off-track betting facilities and account wagering providers, which are defined as business entities that offer advance deposit wagering on a horse race that is not a commercial track or an off-track betting facility licensed in this State, to obtain a license to conduct advance deposit wagering. It also provides the following.

1. Advance deposit wagering licensees are required to remit 5% of in-state gross wagering income and 5% of out-of-state gross wagering income to the board for distribution.

5. Licenses to conduct advance deposit wagering are to be renewed annually and the fee for renewal is \$250.
6. A party under that contract is entitled to apply for a renewal of an advance deposit wagering license without needing to pay an investigation fee.
7. The Department of Public Safety, Gambling Control Unit is required to meet with and seek input from stakeholders on issues related to revenue implications for licensed harness racing tracks in Maine from the expansion of advance deposit wagering, including policies adopted in other states and technical capabilities of advance deposit wagering platforms.
