**LEGISLATIVE DIGEST OF BILLS AND  
SUMMARIES OF ENACTED LAWS**

This *Legislative Digest of Bills and Summaries of Enacted Laws* provides the disposition of all LDs and summaries of all laws enacted or finally passed during the First Regular and First Special Sessions of the 131st Maine Legislature. Please note that all LDs and proposed amendments may be found through the Legislature’s webpage, and each includes a summary of what the bill or amendment proposed.

The *Legislative Digest of Bills and Summaries of Enacted Laws* is arranged alphabetically by committee. Within each committee section is a subject index of all LDs considered by that committee as well as a digest of the LDs, arranged by LD number. Also included are enacted law summaries of the LDs enacted or finally passed. Brief analyst notes on certain LDs are also included: a committee digest will indicate if additional notes are provided for an LD. These notes add information staff found useful and may provide useful information to users of this *Digest*; please note that most LDs do not have a note and lack of a note should not be interpreted as having any significance. A separate section of the *Digest* provides a digest of the relatively few LDs that were not referred to a committee or reported from a committee as a committee bill; enacted law summaries of the LDs enacted or finally passed are provided. Finally, an appendix provides a summary of relevant session statistics.

The final disposition of each LD is noted in the relevant summary digest and index. The following describes the various final actions.

**LD 935 An Act to Remove Barriers to Abortion Coverage in Private Insurance**

**ENACTED LAW SUMMARY**

Public Law 2023, chapter 347 prohibits an individual or group health insurance plan with an effective date on or after January 1, 2024 from imposing any deductible, copayment, coinsurance or other cost-sharing requirement for the costs of abortion services, except that the prohibition on cost-sharing requirements for the costs of abortion services does not apply to a health plan offered for use with a health savings account unless the federal Internal Revenue Service determines that the benefits are permissible in a high deductible health plan.

**LD 937 Resolve, to Establish the Commission Regarding Foreign-trained Physicians Living in Maine**

**ENACTED LAW SUMMARY**

Resolve 2023, chapter 93 creates the Commission Regarding Foreign-trained Physicians Living in Maine to study integrating foreign-trained physicians living in the State into the health care workforce to best reflect their level of skills and training, with a focus on those who are here as refugees and asylum seekers.

The commission is required to submit a report that includes its findings and recommendations, including suggested legislation, to the Joint Standing Committee on Health Coverage, Insurance and Financial Services no later than January 15, 2024. **LD 995 An Act to Enhance Access to a Second Opinion for Health Care Services or Treatment**

**ENACTED LAW SUMMARY**

Public Law 2023, chapter 348 provides that an enrollee in a health plan may not be required to obtain a 2nd opinion from a provider that practices in the same office location as the enrollee's provider. The law also requires that, if the 2nd opinion is obtained from an out-of-network provider, a health insurance carrier may not apply a deductible, coinsurance or copayment for the 2nd opinion in an amount greater than the deductible, coinsurance or copayment that would apply to the same health care service if the service were obtained from a network provider, and the amount of any coinsurance or copayment must be applied to the enrollee's in-network deductible. The requirements apply to individual and group health plans issued or renewed on or after January 1, 2024.
