**LEGISLATIVE DIGEST OF BILLS AND  
SUMMARIES OF ENACTED LAWS**

This *Legislative Digest of Bills and Summaries of Enacted Laws* provides the disposition of all LDs and summaries of all laws enacted or finally passed during the First Regular and First Special Sessions of the 131st Maine Legislature. Please note that all LDs and proposed amendments may be found through the Legislature’s webpage, and each includes a summary of what the bill or amendment proposed.

The *Legislative Digest of Bills and Summaries of Enacted Laws* is arranged alphabetically by committee. Within each committee section is a subject index of all LDs considered by that committee as well as a digest of the LDs, arranged by LD number. Also included are enacted law summaries of the LDs enacted or finally passed. Brief analyst notes on certain LDs are also included: a committee digest will indicate if additional notes are provided for an LD. These notes add information staff found useful and may provide useful information to users of this *Digest*; please note that most LDs do not have a note and lack of a note should not be interpreted as having any significance. A separate section of the *Digest* provides a digest of the relatively few LDs that were not referred to a committee or reported from a committee as a committee bill; enacted law summaries of the LDs enacted or finally passed are provided. Finally, an appendix provides a summary of relevant session statistics.

The final disposition of each LD is noted in the relevant summary digest and index. The following describes the various final actions.

## JOINT STANDING COMMITTEE ON HEALTH AND HUMAN SERVICES

### **LD 945 An Act to Allow Maine Families to Increase Their Savings by Changing the Asset Limits for Eligibility for the Temporary Assistance for Needy Families Program**

#### **ENACTED LAW SUMMARY**

Public Law 2023 chapter 366 does the following.

1. It directs the Department of Health and Human Services to adopt an asset limit of \$10,000 per family under the Temporary Assistance for Needy Families, or TANF, program.
2. It authorizes the department to exempt from the asset limit one vehicle for each licensed driver in the family.
3. It changes the manner in which lump sum payments are counted for the purpose of eligibility for TANF assistance, such that the department must treat any nonrecurring lump sum income received by a family as an asset, and not as income, in the month the lump sum payment is received. To the extent that any nonrecurring lump sum income remains after the month it was received, the department must continue to consider the income as an asset.

It provides that data collected pursuant to this section is health care information that is subject to the confidentiality requirements of the Maine Revised Statutes, Title 22, section 1711-C.
