**LEGISLATIVE DIGEST OF BILLS AND  
SUMMARIES OF ENACTED LAWS**

This *Legislative Digest of Bills and Summaries of Enacted Laws* provides the disposition of all LDs and summaries of all laws enacted or finally passed during the First Regular and First Special Sessions of the 131st Maine Legislature. Please note that all LDs and proposed amendments may be found through the Legislature’s webpage, and each includes a summary of what the bill or amendment proposed.

The *Legislative Digest of Bills and Summaries of Enacted Laws* is arranged alphabetically by committee. Within each committee section is a subject index of all LDs considered by that committee as well as a digest of the LDs, arranged by LD number. Also included are enacted law summaries of the LDs enacted or finally passed. Brief analyst notes on certain LDs are also included: a committee digest will indicate if additional notes are provided for an LD. These notes add information staff found useful and may provide useful information to users of this *Digest*; please note that most LDs do not have a note and lack of a note should not be interpreted as having any significance. A separate section of the *Digest* provides a digest of the relatively few LDs that were not referred to a committee or reported from a committee as a committee bill; enacted law summaries of the LDs enacted or finally passed are provided. Finally, an appendix provides a summary of relevant session statistics.

The final disposition of each LD is noted in the relevant summary digest and index. The following describes the various final actions.

**ENACTED LAW SUMMARY**

Public Law 2023, chapter 332 adds a definition of "undisputed claim" as it relates to claims submitted by health care providers and health care facilities to health insurance carriers. Under the law, "undisputed claim" means a manually or electronically submitted claim from a health care provider or health care facility that contains all the required data elements necessary for accurate adjudication without the need for additional information; is not materially deficient or improper, including lacking substantiating documentation required by the carrier; and has no particular or unusual circumstances requiring special treatment that prevent payment from being made by the carrier.

**LD 1266 An Act to Clarify The Producer Licensure Required To Act As A Pet Insurance Producer**

**ENACTED LAW SUMMARY**

**LD 1267 An Act to Provide Alternative Methods Of Payment To Health Care Providers**

**ENACTED LAW SUMMARY**

Under current federal regulations, health insurance carriers are required to process claims through electronic funds transfer if requested by a health care provider. Public Law 2023, chapter 232 codifies that requirement in state law for all insurance carriers potentially liable for payment of a claim submitted by a health care provider.
