STATE OF MAINE

131ST LEGISLATURE
SECOND REGULAR SESSION

LEGISLATIVE DIGEST OF BILLS AND SUMMARIES OF ENACTED LAWS

This *Legislative Digest of Bills and Summaries of Enacted Laws* provides the disposition of all LDs and summaries of all laws enacted or finally passed during the Second Regular Session of the 131st Maine Legislature. Please note that all LDs and proposed amendments may be found through the Legislature's webpage, and each includes a summary of what the bill or amendment proposed.

The *Legislative Digest of Bills and Summaries of Enacted Laws* is arranged alphabetically by committee. Within each committee section is a subject index of all LDs considered by that committee as well as a digest of the LDs, arranged by LD number. Also included are enacted law summaries of the LDs enacted or finally passed. Brief analyst notes on certain LDs are also included: a committee digest will indicate if additional notes are provided for an LD. These notes add information staff found useful and may provide useful information to users of this *Digest*; please note that most LDs do not have a note and lack of a note should not be interpreted as having any significance. A separate section of the *Digest* provides a digest of the relatively few LDs that were not referred to a committee or reported from a committee as a committee bill; enacted law summaries of the LDs enacted or finally passed are provided. Finally, an appendix provides a summary of relevant session statistics.

The final disposition of each LD is noted in the relevant summary digest and index. The following describes the various final actions.

LD 1537 An Act to Amend the Laws Relating to the Prevention of Perfluoroalkyl and Polyfluoroalkyl Substances Pollution

ENACTED LAW SUMMARY

Public Law 2023, chapter 630 amends the laws governing products containing perfluoroalkyl and polyfluoroalkyl substances, or PFAS, as follows.

1. It amends the manufacturer notification requirement to provide that a manufacturer is only required to submit to the Department of Environmental Protection information regarding a product containing intentionally added PFAS that the manufacturer sells, offers for sale or distributes for sale in this State if the sale of that product is otherwise prohibited and the department has determined by rule that the use of PFAS in the product is a currently unavoidable use. A manufacturer that submits such a notification must at the same time pay to the department a fee established by the department by rule to cover the department's costs in administering the law.
2. It provides that, effective January 1, 2026, a person may not sell, offer for sale or distribute for sale in this State any of the following products containing intentionally added PFAS: a cleaning product, a cookware product, a cosmetic product, dental floss, a juvenile product, a menstruation product, a textile article, ski wax or upholstered furniture. This prohibition does not apply to any such product for which the department has determined by rule that the use of PFAS in the product is a currently unavoidable use.
3. It provides that, effective January 1, 2029, a person may not sell, offer for sale or distribute for sale in this State any of the following products containing intentionally added PFAS: artificial turf or, except where accompanied by a disclosure regarding PFAS in the product, outdoor apparel for severe wet conditions. This prohibition does not apply to any such product for which the department has determined by rule that the use of PFAS in the product is a currently unavoidable use.
