STATE OF MAINE

131st Legislature Second Regular Session

LEGISLATIVE DIGEST OF BILLS AND SUMMARIES OF ENACTED LAWS

This Legislative Digest of Bills and Summaries of Enacted Laws provides the disposition of all LDs and summaries of all laws enacted or finally passed during the Second Regular Session of the 131st Maine Legislature. Please note that all LDs and proposed amendments may be found through the Legislature's webpage, and each includes a summary of what the bill or amendment proposed.

The Legislative Digest of Bills and Summaries of Enacted Laws is arranged alphabetically by committee. Within each committee section is a subject index of all LDs considered by that committee as well as a digest of the LDs, arranged by LD number. Also included are enacted law summaries of the LDs enacted or finally passed. Brief analyst notes on certain LDs are also included: a committee digest will indicate if additional notes are provided for an LD. These notes add information staff found useful and may provide useful information to users of this Digest; please note that most LDs do not have a note and lack of a note should not be interpreted as having any significance. A separate section of the Digest provides a digest of the relatively few LDs that were not referred to a committee or reported from a committee as a committee bill; enacted law summaries of the LDs enacted or finally passed are provided. Finally, an appendix provides a summary of relevant session statistics.

The final disposition of each LD is noted in the relevant summary digest and index. The following describes the various final actions.

JOINT SELECT COMMITTEE ON HOUSING

requires that such an ordinance establishing a limit on the number of residential units within a building in a location zoned for commercial use be proportional to the space available for residential units in that building. Public Law 2023, chapter 536 removes that requirement and makes the proportional limit optional.

LD 1505 An Act to Amend the Maine Cooperative Affordable Housing Ownership Act

ENACTED LAW SUMMARY

Public Law 2023, chapter 513 makes changes to the Maine Cooperative Affordable Housing Ownership Act. The law adds definitions for the terms, "housing assistance programs," "housing cooperative," and "group equity cooperative" and describes the components that make a housing cooperative a group equity cooperative under the Maine Cooperative Affordable Housing Ownership Act.

Public Law 2023, chapter 513 requires that housing assistance programs administered by the state or a municipality be made reasonably available to residents of housing cooperatives. The law provides that administrators of those housing assistance programs may develop specific policies that govern the treatment of program applicants who reside in housing cooperatives. For those housing assistance programs that do not include policies specific to housing cooperatives, applicants belonging to housing cooperatives must be treated as homeowners, except that:

- 1. A program applicant who belongs to a group equity housing cooperative is classified as a renter or a tenant in rental property and the group equity cooperative itself is considered the landlord or property owner; and
- 2. A program applicant who is a resident of housing cooperative that is not a member of that cooperative is a tenant and the respective cooperative is the landlord or property.

Under Public Law 2023, chapter 513, when a housing cooperative is classified as a property owner, the cooperative has the right to apply for multifamily owner assistance programs.
