**LEGISLATIVE DIGEST OF BILLS AND  
SUMMARIES OF ENACTED LAWS**

This *Legislative Digest of Bills and Summaries of Enacted Laws* provides the disposition of all LDs and summaries of all laws enacted or finally passed during the First Regular and First Special Sessions of the 131st Maine Legislature. Please note that all LDs and proposed amendments may be found through the Legislature’s webpage, and each includes a summary of what the bill or amendment proposed.

The *Legislative Digest of Bills and Summaries of Enacted Laws* is arranged alphabetically by committee. Within each committee section is a subject index of all LDs considered by that committee as well as a digest of the LDs, arranged by LD number. Also included are enacted law summaries of the LDs enacted or finally passed. Brief analyst notes on certain LDs are also included: a committee digest will indicate if additional notes are provided for an LD. These notes add information staff found useful and may provide useful information to users of this *Digest*; please note that most LDs do not have a note and lack of a note should not be interpreted as having any significance. A separate section of the *Digest* provides a digest of the relatively few LDs that were not referred to a committee or reported from a committee as a committee bill; enacted law summaries of the LDs enacted or finally passed are provided. Finally, an appendix provides a summary of relevant session statistics.

The final disposition of each LD is noted in the relevant summary digest and index. The following describes the various final actions.

## JOINT STANDING COMMITTEE ON VETERANS AND LEGAL AFFAIRS

14. It requires a Maine Clean Election Act candidate to obtain and submit a record of labor performed by any member of campaign staff each day the member of the campaign staff is compensated more than \$3,000.

A provision authorizing the Commission on Governmental Ethics and Election Practices to deposit penalties for late filing by political action committees and ballot question committees in an existing special revenue account to pay for improvements to the commission's electronic filing systems, which was proposed in the original version of LD 1630, was not included in Public Law 2023, chapter 324, but was instead incorporated into the biennial budget, enacted as Public Law 2023, chapter 412, part SSS. See Appropriations and Financial Affairs, LD 258.

### **LD 1653 RESOLUTION, Proposing an Amendment to the Constitution of Maine to Allow Persons Under Guardianship for Mental Illness to Be Electors**

#### **ENACTED LAW SUMMARY**

Constitutional Resolution 2023, chapter 4 proposes to amend the Constitution of Maine to allow persons under guardianship to be electors for Governor, Senators and Representatives by removing the provision prohibiting such action, which has been found by the United States District Court for the District of Maine to violate the United States Constitution and federal law.

Constitutional Resolution 2023, chapter 4 as finally passed by the Legislature is contingent upon the approval of the voters at a statewide election to be held November 7, 2023.

### **LD 1690 An Act Regarding Ongoing Absentee Voting and Tracking of Absentee Ballots**

#### **ENACTED LAW SUMMARY**

Effective December 31, 2025, Public Law 2023, chapter 404 makes the following changes to the provisions of law regarding ongoing absentee voter status.

1. It removes the requirement that an ongoing absentee voter be a voter who will be at least 65 years of age by the next election or who self identifies as having a disability.
2. It removes the requirement that the procedures for application for status as an ongoing absentee voter must include a process for notifying the voter that if the voter moves out of the municipality, that voter's status as an ongoing absentee voter in that municipality terminates.
