**LEGISLATIVE DIGEST OF BILLS AND
SUMMARIES OF ENACTED LAWS**

This *Legislative Digest of Bills and Summaries of Enacted Laws* provides the disposition of all LDs and summaries of all laws enacted or finally passed during the First Regular and First Special Sessions of the 131st Maine Legislature. Please note that all LDs and proposed amendments may be found through the Legislature’s webpage, and each includes a summary of what the bill or amendment proposed.

The *Legislative Digest of Bills and Summaries of Enacted Laws* is arranged alphabetically by committee. Within each committee section is a subject index of all LDs considered by that committee as well as a digest of the LDs, arranged by LD number. Also included are enacted law summaries of the LDs enacted or finally passed. Brief analyst notes on certain LDs are also included: a committee digest will indicate if additional notes are provided for an LD. These notes add information staff found useful and may provide useful information to users of this *Digest*; please note that most LDs do not have a note and lack of a note should not be interpreted as having any significance. A separate section of the *Digest* provides a digest of the relatively few LDs that were not referred to a committee or reported from a committee as a committee bill; enacted law summaries of the LDs enacted or finally passed are provided. Finally, an appendix provides a summary of relevant session statistics.

The final disposition of each LD is noted in the relevant summary digest and index. The following describes the various final actions.

ENACTED LAW SUMMARY

Public Law 2023, chapter 467 expands the rights of bargaining agents of public sector unions for access to personal contact information about members of a bargaining unit that the bargaining agent exclusively represents from personal contact information regarding newly hired employees to, upon request but not more often than quarterly, personal contact information regarding all other employees. LD 1703 An Act to Amend the Maine Equal Pay Law by Prohibiting Pay Discrimination Based on Race

ENACTED LAW SUMMARY

Public Law 2023, chapter 266 enacts the “Maine Equal Pay Law.” Prior to enactment of Public Law 2023, chapter 266, the law provided that an employer may not discriminate between employees in the same establishment on the basis of sex by paying wages to any employee in any occupation at a rate less than the rate at which the employer pays any employee of the opposite sex for comparable work on jobs that have comparable requirements relating to skill, effort and responsibility. Public Law 2023, chapter 266 adds to that law a provision that an employer may not discriminate between employees in the same establishment on the basis of race.

LD 1756 An Act to An Act to Protect Employee Freedom of Speech

ENACTED LAW SUMMARY

Public Law 2023, chapter 414 prohibits an employer from discharging, disciplining or otherwise penalizing or threatening to discharge, discipline or otherwise penalize or taking any adverse employment action against an employee because the employee declines to attend or participate in an employer-sponsored meeting or declines to receive or listen to a communication from the employer if the meeting or communication is to communicate the opinion of the employer about religious or political matters. The law exempts religious employers.
