LEGISLATIVE DIGEST OF BILLS AND SUMMARIES OF ENACTED LAWS

This *Legislative Digest of Bills and Summaries of Enacted Laws* provides the disposition of all LDs and summaries of all laws enacted or finally passed during the First Regular and First Special Sessions of the 131st Maine Legislature. Please note that all LDs and proposed amendments may be found through the Legislature's webpage, and each includes a summary of what the bill or amendment proposed.

The Legislative Digest of Bills and Summaries of Enacted Laws is arranged alphabetically by committee. Within each committee section is a subject index of all LDs considered by that committee as well as a digest of the LDs, arranged by LD number. Also included are enacted law summaries of the LDs enacted or finally passed. Brief analyst notes on certain LDs are also included: a committee digest will indicate if additional notes are provided for an LD. These notes add information staff found useful and may provide useful information to users of this *Digest*; please note that most LDs do not have a note and lack of a note should not be interpreted as having any significance. A separate section of the *Digest* provides a digest of the relatively few LDs that were not referred to a committee or reported from a committee as a committee bill; enacted law summaries of the LDs enacted or finally passed are provided. Finally, an appendix provides a summary of relevant session statistics.

The final disposition of each LD is noted in the relevant summary digest and index. The following describes the various final actions.

LD 1790 An Act Removing the Statute of Limitations on Civil Actions and Criminal Prosecutions for Certain Sexual Offenses Against Minors

ENACTED LAW SUMMARY

Public Law 2023, chapter 475 removes the limitations period for a civil action or criminal prosecution based on conduct against a minor victim that qualifies as the crime of incest; unlawful sexual contact; sexual abuse of a minor; rape or gross sexual assault, formerly denominated as gross sexual misconduct; unlawful sexual touching; or sexual exploitation of a minor. This law applies to a criminal prosecution based on such conduct with a minor victim either if the criminal conduct is committed on or after the effective date of this law or if the prosecution has not yet been barred by the criminal statute of limitations in force immediately prior to the effective date of this law. In addition, pursuant to the Maine Revised Statutes, Title 14, section 752-C, subsection 3, this law applies to all civil actions based upon such conduct with a minor victim regardless of whether the civil statute of limitations on such action expired prior to the effective date of the legislation.

LD 1833 An Act to Amend the Definition of "Educational Institution" Under the Maine Human Rights Act to Include Single-sex Educational Institutions

ENACTED LAW SUMMARY

Public Law 2023, chapter 188 amends the definition of "educational institution" under the Maine Human Rights Act by repealing language that previously exempted a single-sex private school or educational program approved for tuition purposes from all provisions except the anti-disability-discrimination provisions of the Act.

LD 1906 An Act to Enable Confirmatory Adoption

ENACTED LAW SUMMARY

Public Law 2023, chapter 356 establishes a streamlined process, when there are no competing claims of parentage to the child, for the confirmatory adoption of a child either by a single petitioner who gave birth to a child through assisted reproduction or by joint petitioners, one of whom gave birth to a child through assisted reproduction and the other of whom is the presumed parent of the child. Unless required by federal law or ordered by the court for good cause, in evaluating a petitioner; a home study, screening for child abuse or other investigation of a petitioner; a federal or state criminal history record check of any person; verification that the child is not on a registry of missing children; appointment of a guardian ad litem; a minimum period of time during which the child must have lived in the home of a petitioner; or an interview with the adoptee, except that, as in other adoptions under state law, the written consent of an adoptee who is 12 years of age or older is required.
