FIRST REGULAR AND FIRST SPECIAL SESSIONS

**LEGISLATIVE DIGEST OF BILLS AND  
SUMMARIES OF ENACTED LAWS**

This *Legislative Digest of Bills and Summaries of Enacted Laws* provides the disposition of all LDs and summaries of all laws enacted or finally passed during the First Regular and First Special Sessions of the 131st Maine Legislature. Please note that all LDs and proposed amendments may be found through the Legislature’s webpage, and each includes a summary of what the bill or amendment proposed.

The *Legislative Digest of Bills and Summaries of Enacted Laws* is arranged alphabetically by committee. Within each committee section is a subject index of all LDs considered by that committee as well as a digest of the LDs, arranged by LD number. Also included are enacted law summaries of the LDs enacted or finally passed. Brief analyst notes on certain LDs are also included: a committee digest will indicate if additional notes are provided for an LD. These notes add information staff found useful and may provide useful information to users of this *Digest*; please note that most LDs do not have a note and lack of a note should not be interpreted as having any significance. A separate section of the *Digest* provides a digest of the relatively few LDs that were not referred to a committee or reported from a committee as a committee bill; enacted law summaries of the LDs enacted or finally passed are provided. Finally, an appendix provides a summary of relevant session statistics.

The final disposition of each LD is noted in the relevant summary digest and index. The following describes the various final actions.

### **LD 1828 An Act Regarding Enhanced 9-1-1 Public Safety Answering Points**

#### **ENACTED LAW SUMMARY**

Public Law 2023, chapter 186 requires a public safety answering point to provide notice to the Emergency Services Communication Bureau prior to discontinuing service to a municipality. It specifies that the bureau must find reasonable grounds to authorize a public safety answering point to provide less than one year's notice of its discontinuation of service and provides that a violation of the notice requirement is a civil violation for which a fine of up to \$50 per day may be adjudged. The law specifies that the bureau may establish additional public safety answering points regardless of the limitation on the number of public safety answering points in the Maine Revised Statutes, Title 25, section 2926, subsection 2-A if the bureau determines that a public safety answering point is necessary to ensure public safety and access to E-9-1-1 services. The law also requires the bureau to conduct a study assessing whether public safety answering points can be more efficiently managed to ensure stability of the system. The Public Utilities Commission must provide a report on the results of the study by February 1, 2024 to the joint standing committee of the Legislature having jurisdiction over energy, utilities and technology matters.

Public Law 2023, chapter 186 was enacted as an emergency measure effective June 15, 2023.
