**LEGISLATIVE DIGEST OF BILLS AND  
SUMMARIES OF ENACTED LAWS**

This *Legislative Digest of Bills and Summaries of Enacted Laws* provides the disposition of all LDs and summaries of all laws enacted or finally passed during the First Regular and First Special Sessions of the 131st Maine Legislature. Please note that all LDs and proposed amendments may be found through the Legislature’s webpage, and each includes a summary of what the bill or amendment proposed.

The *Legislative Digest of Bills and Summaries of Enacted Laws* is arranged alphabetically by committee. Within each committee section is a subject index of all LDs considered by that committee as well as a digest of the LDs, arranged by LD number. Also included are enacted law summaries of the LDs enacted or finally passed. Brief analyst notes on certain LDs are also included: a committee digest will indicate if additional notes are provided for an LD. These notes add information staff found useful and may provide useful information to users of this *Digest*; please note that most LDs do not have a note and lack of a note should not be interpreted as having any significance. A separate section of the *Digest* provides a digest of the relatively few LDs that were not referred to a committee or reported from a committee as a committee bill; enacted law summaries of the LDs enacted or finally passed are provided. Finally, an appendix provides a summary of relevant session statistics.

The final disposition of each LD is noted in the relevant summary digest and index. The following describes the various final actions.

*FAILED, ENACTMENT or FINAL PASSAGE*..... failed to receive final majority vote

## JOINT STANDING COMMITTEE ON INLAND FISHERIES AND WILDLIFE

1. It defines recreational boating as being primarily used for pleasure and excludes from that definition the use of motorboats carrying passengers for hire.
2. It applies the boater safety and education course requirement for inland waters to territorial waters defined by the Maine Revised Statutes, Title 12, section 6001.
3. It adds exemptions to the requirement of a boater safety and education course to possessors of valid or expired United States merchant marine licensure documents, persons test driving a motorboat as part of a possible purchase, persons renting a motorboat who have completed a temporary boater safety course and noncitizens who arrive by sea and are temporarily using Maine's territorial waters.

### **LD 1826 An Act to Designate Deer Wintering Areas Under the Jurisdiction of the Bureau of Parks and Lands**

#### **ENACTED LAW SUMMARY**

Public Law 2023, chapter 187 allows the Department of Agriculture, Conservation and Forestry, Bureau of Parks and Lands to designate, pursuant to a habitat management agreement with the Department of Inland Fisheries and Wildlife, deer wintering areas on parcels of land under the jurisdiction of the bureau that are high-quality deer wintering habitat with a documented history of significant use by deer. It requires the bureau to manage the designated area with deer conservation as the highest management priority and permits the bureau to manage the designated area to benefit other wildlife species that rely on mature softwood forests, and the designated areas are eligible for funding from the Maine Deer Management Fund.
