LEGISLATIVE DIGEST OF BILLS AND SUMMARIES OF ENACTED LAWS

This *Legislative Digest of Bills and Summaries of Enacted Laws* provides the disposition of all LDs and summaries of all laws enacted or finally passed during the First Regular and First Special Sessions of the 131st Maine Legislature. Please note that all LDs and proposed amendments may be found through the Legislature's webpage, and each includes a summary of what the bill or amendment proposed.

The Legislative Digest of Bills and Summaries of Enacted Laws is arranged alphabetically by committee. Within each committee section is a subject index of all LDs considered by that committee as well as a digest of the LDs, arranged by LD number. Also included are enacted law summaries of the LDs enacted or finally passed. Brief analyst notes on certain LDs are also included: a committee digest will indicate if additional notes are provided for an LD. These notes add information staff found useful and may provide useful information to users of this *Digest*; please note that most LDs do not have a note and lack of a note should not be interpreted as having any significance. A separate section of the *Digest* provides a digest of the relatively few LDs that were not referred to a committee or reported from a committee as a committee bill; enacted law summaries of the LDs enacted or finally passed are provided. Finally, an appendix provides a summary of relevant session statistics.

The final disposition of each LD is noted in the relevant summary digest and index. The following describes the various final actions.

greater than \$100,000 must meet eligibility requirements to demonstrate that they can provide an appropriate level of services and provide funding from a source other than state funding to match the amount of the grant request on a one-to-one basis. When considering requests for proposals, the Maine State Housing Authority is required to award favorable points to proposals from applicants that will provide services in underserved areas and potentially reduce demand for emergency housing and shelter services in hubs for services. Public Law 2023, chapter 479 provides one-time funding to the Maine State Housing Authority in the amount of \$257,000 for the program.

LD 1931 An Act to Foster Stable and Affordable Home Ownership in Mobile Home Parks by Amending the Laws Relating to the Sale of Mobile Home Parks

ENACTED LAW SUMMARY

Public Law 2023, chapter 378 changes current law regarding notice requirements when the owner of a mobile home park intends to accept an offer to purchase the park. Under this law, the owner of a mobile home park is required to give notice of the intent to sell the mobile home park to each mobile home owner of the mobile home park and to the Maine State Housing Authority. The park owner may not make a final unconditional acceptance of an offer to sell earlier than 60 days after the notice was provided. Within that 60 days, if a group or association of the owners of at least 51% of the mobile homes in the park sign a petition supporting an offer of purchase, the owner of the mobile home park must consider the offer and negotiate in good faith. Such an offer must include a purchase and sale agreement. If the mobile home park owner accepts the offer, the law provides for a 90-day period for the group or association of mobile home

Under this law, a violation of the requirement for notice of intent to sell or to negotiate in good faith is considered an unfair or deceptive trade practice.

Public Law 2023, chapter 378 provides for situations under which the notice and good faith negotiation requirements do not apply and also states that a mobile home park owner may send an affidavit of compliance to the county registry of deeds, the Maine State Housing Authority, or both.
