STATE OF MAINE
131ST LEGISLATURE
FIRST REGULAR AND FIRST SPECIAL SESSIONS

**LEGISLATIVE DIGEST OF BILLS AND
SUMMARIES OF ENACTED LAWS**

This *Legislative Digest of Bills and Summaries of Enacted Laws* provides the disposition of all LDs and summaries of all laws enacted or finally passed during the First Regular and First Special Sessions of the 131st Maine Legislature. Please note that all LDs and proposed amendments may be found through the Legislature’s webpage, and each includes a summary of what the bill or amendment proposed.

The *Legislative Digest of Bills and Summaries of Enacted Laws* is arranged alphabetically by committee. Within each committee section is a subject index of all LDs considered by that committee as well as a digest of the LDs, arranged by LD number. Also included are enacted law summaries of the LDs enacted or finally passed. Brief analyst notes on certain LDs are also included: a committee digest will indicate if additional notes are provided for an LD. These notes add information staff found useful and may provide useful information to users of this *Digest*; please note that most LDs do not have a note and lack of a note should not be interpreted as having any significance. A separate section of the *Digest* provides a digest of the relatively few LDs that were not referred to a committee or reported from a committee as a committee bill; enacted law summaries of the LDs enacted or finally passed are provided. Finally, an appendix provides a summary of relevant session statistics.

The final disposition of each LD is noted in the relevant summary digest and index. The following describes the various final actions.

LD 1947 An Act to Amend the Food Sovereignty Act

ENACTED LAW SUMMARY

Public Law 2023, chapter 420 amends the definition of “direct producer-to-consumer transaction” in the Maine Food Sovereignty Act. The law also provides that a farmers' market may impose more stringent requirements on its sellers than those imposed by municipal, plantation or county ordinances regarding traditional foodways or direct producer-to-consumer transactions.

LD 1969 An Act to Expand the Use of Funds to Support Land Conservation

ENACTED LAW SUMMARY

Public Law 2023, chapter 284 eliminates the Land for Maine's Future Fund, replaces it with the Land for Maine's Future Trust Fund and transfers the balance in the Land for Maine's Future Fund. The law requires that the funds transferred be used for the purposes identified in Public Law 2021, chapter 398, Part FFFF, section 8. The Land for Maine's Future Trust Fund may be used for the purposes of the Public Access to Maine Waters Fund, the Maine Working Waterfront Access Protection Fund, the Maine Working Farmland Access and Protection Fund and the new funds established specifically by the law.

The law amends provisions of law affecting the Public Access to Maine Waters Fund, the Maine Working Waterfront Access Protection Fund and the Maine Working Farmland Access and Protection Fund. The law establishes the Conservation and Recreation Fund to achieve the purposes of the former Land for Maine's Future Fund. The law establishes the Conservation Land Management Fund to make capital improvements to and enhance wildlife habitat protection on permanently conserved state, municipal and private conservation lands.

The law clarifies that upon repeal the of the Land for Maine's Future Fund any funds within the Land for Maine's Future Fund, both the Community Conservation Projects Other Special Revenue Funds account and the Land for Maine's Future Fund Other Special Revenue Funds account, are required to be transferred to the Land For Maine's Future Trust Fund.
