STATE OF MAINE

131ST LEGISLATURE
SECOND REGULAR SESSION

LEGISLATIVE DIGEST OF BILLS AND SUMMARIES OF ENACTED LAWS

This *Legislative Digest of Bills and Summaries of Enacted Laws* provides the disposition of all LDs and summaries of all laws enacted or finally passed during the Second Regular Session of the 131st Maine Legislature. Please note that all LDs and proposed amendments may be found through the Legislature's webpage, and each includes a summary of what the bill or amendment proposed.

The *Legislative Digest of Bills and Summaries of Enacted Laws* is arranged alphabetically by committee. Within each committee section is a subject index of all LDs considered by that committee as well as a digest of the LDs, arranged by LD number. Also included are enacted law summaries of the LDs enacted or finally passed. Brief analyst notes on certain LDs are also included: a committee digest will indicate if additional notes are provided for an LD. These notes add information staff found useful and may provide useful information to users of this *Digest*; please note that most LDs do not have a note and lack of a note should not be interpreted as having any significance. A separate section of the *Digest* provides a digest of the relatively few LDs that were not referred to a committee or reported from a committee as a committee bill; enacted law summaries of the LDs enacted or finally passed are provided. Finally, an appendix provides a summary of relevant session statistics.

The final disposition of each LD is noted in the relevant summary digest and index. The following describes the various final actions.

LD 2011 An Act Regarding the State Auditor's Reporting Requirements on State Agencies' Financial Activities

ENACTED LAW SUMMARY

Public Law 2023, chapter 500 requires the State Auditor to submit annual reports to the Legislature regarding the administration of federal grants, programs and awards by state agencies. The report must be based on the most recent single audit conducted by the State Auditor pursuant to the Maine Revised Statutes, Title 5, section 243 and must describe all disputed findings from the past five single audit reports and any corrective action plans from those findings that were not implemented. Each joint standing committee of the Legislature has the authority to report out legislation related to the disputed findings and corrective action plans in the report pertaining to subject matter under the jurisdiction of the committee.
