## LEGISLATIVE DIGEST OF BILLS AND SUMMARIES OF ENACTED LAWS

This *Legislative Digest of Bills and Summaries of Enacted Laws* provides the disposition of all LDs and summaries of all laws enacted or finally passed during the Second Regular Session of the 131st Maine Legislature. Please note that all LDs and proposed amendments may be found through the Legislature's webpage, and each includes a summary of what the bill or amendment proposed.

The *Legislative Digest of Bills and Summaries of Enacted Laws* is arranged alphabetically by committee. Within each committee section is a subject index of all LDs considered by that committee as well as a digest of the LDs, arranged by LD number. Also included are enacted law summaries of the LDs enacted or finally passed. Brief analyst notes on certain LDs are also included: a committee digest will indicate if additional notes are provided for an LD. These notes add information staff found useful and may provide useful information to users of this *Digest*; please note that most LDs do not have a note and lack of a note should not be interpreted as having any significance. A separate section of the *Digest* provides a digest of the relatively few LDs that were not referred to a committee or reported from a committee as a committee bill; enacted law summaries of the LDs enacted or finally passed are provided. Finally, an appendix provides a summary of relevant session statistics.

The final disposition of each LD is noted in the relevant summary digest and index. The following describes the various final actions.

### **LD 2009 Resolve, to Establish a Stakeholder Group to Address the Problem of Long Stays for Children and Adolescents in Hospital Emergency Departments**

#### **ENACTED LAW SUMMARY**

Resolve 2023, chapter 134 requires the Department of Health and Human Services to convene a stakeholder group to address the problem of children and adolescents experiencing long stays in hospital emergency departments after the children and adolescents are medically stable and no longer require medical treatment but appropriate community or residential placements are not available. The Commissioner of Health and Human Services must appoint the members of the stakeholder group, which must include representatives from offices within the department and organizations dealing with child welfare, behavioral health and medicine in addition to affected parents and other interested parties. The department must submit a report to the joint standing committee of the Legislature having jurisdiction over health and human services matters no later than November 6, 2024.

Public Law 2023, chapter 524 amends the section of law describing the treatment of roadside springs so as to conform to the definition of “public water system”, in order to bring Maine law into compliance with federal law.

### **LD 2037 An Act to Align the Supplemental Nutrition Assistance Program with Federal Regulations**

#### **ENACTED LAW SUMMARY**

Public Law 2023, chapter 501 amends the law governing the denial of food assistance under the Supplemental Nutrition Assistance Program, or SNAP, as a result of lottery and gambling winnings.
