SECOND REGULAR SESSION

## LEGISLATIVE DIGEST OF BILLS AND SUMMARIES OF ENACTED LAWS

This *Legislative Digest of Bills and Summaries of Enacted Laws* provides the disposition of all LDs and summaries of all laws enacted or finally passed during the Second Regular Session of the 131st Maine Legislature. Please note that all LDs and proposed amendments may be found through the Legislature's webpage, and each includes a summary of what the bill or amendment proposed.

The *Legislative Digest of Bills and Summaries of Enacted Laws* is arranged alphabetically by committee. Within each committee section is a subject index of all LDs considered by that committee as well as a digest of the LDs, arranged by LD number. Also included are enacted law summaries of the LDs enacted or finally passed. Brief analyst notes on certain LDs are also included: a committee digest will indicate if additional notes are provided for an LD. These notes add information staff found useful and may provide useful information to users of this *Digest*; please note that most LDs do not have a note and lack of a note should not be interpreted as having any significance. A separate section of the *Digest* provides a digest of the relatively few LDs that were not referred to a committee or reported from a committee as a committee bill; enacted law summaries of the LDs enacted or finally passed are provided. Finally, an appendix provides a summary of relevant session statistics.

The final disposition of each LD is noted in the relevant summary digest and index. The following describes the various final actions.

## JOINT STANDING COMMITTEE ON INLAND FISHERIES AND WILDLIFE

memorandum is reviewed and updated. The resolve also directs the departments to include a requirement in the memorandum that if changes are planned that reduce commitments outlined in the memorandum to control and prevent the further spread of aquatic invasive species at the dam on the Penobscot River in the Town of Medway or the dam on the Piscataquis River at Brown's Mill in the Town of Dover-Foxcroft, the joint standing committee of the Legislature having jurisdiction over inland fisheries and wildlife matters must be notified in writing prior to the changes being implemented.

Public Law 2023, chapter 612 increases the fees for new or renewal certificates of number for resident motorboats and personal watercraft and the fees for lake and river protection stickers for all motorboats and personal watercraft not registered in the State and for seaplanes operating on inland waters of the State. Beginning January 1, 2025, the fees for certificates of number are increased by \$10 and the fees for lake and river protection stickers are increased by \$15 and, beginning January 1, 2028, the fees are increased by an additional \$10 for certificates of number and by an additional \$15 for lake and river protection stickers.

Public Law 2023, chapter 612 also makes a change to how fees are allocated so that, beginning January 1, 2025, 70% of fees are credited to the Invasive Aquatic Plant and Nuisance Species Fund, rather than 80% as in current law, and 30% of fees, rather than 20% as in current law, are credited to the Lake and River Protection Fund.
