STATE OF MAINE

131ST LEGISLATURE
SECOND REGULAR SESSION

LEGISLATIVE DIGEST OF BILLS AND SUMMARIES OF ENACTED LAWS

This *Legislative Digest of Bills and Summaries of Enacted Laws* provides the disposition of all LDs and summaries of all laws enacted or finally passed during the Second Regular Session of the 131st Maine Legislature. Please note that all LDs and proposed amendments may be found through the Legislature's webpage, and each includes a summary of what the bill or amendment proposed.

The *Legislative Digest of Bills and Summaries of Enacted Laws* is arranged alphabetically by committee. Within each committee section is a subject index of all LDs considered by that committee as well as a digest of the LDs, arranged by LD number. Also included are enacted law summaries of the LDs enacted or finally passed. Brief analyst notes on certain LDs are also included: a committee digest will indicate if additional notes are provided for an LD. These notes add information staff found useful and may provide useful information to users of this *Digest*; please note that most LDs do not have a note and lack of a note should not be interpreted as having any significance. A separate section of the *Digest* provides a digest of the relatively few LDs that were not referred to a committee or reported from a committee as a committee bill; enacted law summaries of the LDs enacted or finally passed are provided. Finally, an appendix provides a summary of relevant session statistics.

The final disposition of each LD is noted in the relevant summary digest and index. The following describes the various final actions.

The effective date for non-emergency legislation enacted in the Second Regular Session of the 131st Legislature is Friday, August 9, 2024. The effective date for legislation enacted as an emergency measure may be found in the enacted law summary for that legislation.

JOINT STANDING COMMITTEE ON HEALTH AND HUMAN SERVICES

LD 2083 Resolve, Directing the Department of Health and Human Services to Establish a Stakeholder Group to Study Timely Access to Psychiatric Medication Management Services Across the State

ENACTED LAW SUMMARY

Resolve 2023, chapter 157 directs the Department of Health and Human Services to convene a stakeholder group to study access to psychiatric medication management services in the State. The study must examine the availability of psychiatric medication management services across the State, including a review of geographic and other disparities in access, the availability of psychiatric nurse practitioners to provide medication management and challenges to sustaining and expanding the psychiatric nurse practitioner workforce, including an examination of educational opportunities, financial support for the education of nurse practitioners and the availability of nurse educators to train nurse practitioners. It directs the department to report to the joint standing committee of the Legislature having jurisdiction over health and human services matters no later than February 1, 2025 on the study. The joint standing committee may report out legislation related to the report to the 132nd Legislature in 2025.

LD 2095 An Act to Require Reporting of Child Abuse and Neglect to Military Family Advocacy Programs

ENACTED LAW SUMMARY

Public Law 2023, chapter 518 requires that, when an allegation of abuse or neglect of a child against a parent or legal guardian is investigated, the Department of Health and Human Services must collect information concerning any military status of a parent or legal guardian and share that information with the appropriate military authority. It also directs the department to negotiate a memorandum of understanding with family advocacy programs at military installations.

Public Law 2023, chapter 518 was enacted as an emergency measure effective March 6, 2024.

LD 2139 An Act to Add Schedule V Substances to the Controlled Substances Prescription Monitoring Program

ENACTED LAW SUMMARY

Public Law 2023, chapter 544 expands the required reporting on controlled substances under the Controlled Substances Prescription Monitoring Program to include drugs, substances and chemicals listed in the federally determined Schedule V. Schedule V drugs, substances and chemicals consist of preparations containing limited quantities of certain narcotics and are generally used for antidiarrheal, antitussive and analgesic purposes.
