131st Legislature Second Regular Session

LEGISLATIVE DIGEST OF BILLS AND SUMMARIES OF ENACTED LAWS

This Legislative Digest of Bills and Summaries of Enacted Laws provides the disposition of all LDs and summaries of all laws enacted or finally passed during the Second Regular Session of the 131st Maine Legislature. Please note that all LDs and proposed amendments may be found through the Legislature's webpage, and each includes a summary of what the bill or amendment proposed.

The Legislative Digest of Bills and Summaries of Enacted Laws is arranged alphabetically by committee. Within each committee section is a subject index of all LDs considered by that committee as well as a digest of the LDs, arranged by LD number. Also included are enacted law summaries of the LDs enacted or finally passed. Brief analyst notes on certain LDs are also included: a committee digest will indicate if additional notes are provided for an LD. These notes add information staff found useful and may provide useful information to users of this Digest; please note that most LDs do not have a note and lack of a note should not be interpreted as having any significance. A separate section of the Digest provides a digest of the relatively few LDs that were not referred to a committee or reported from a committee as a committee bill; enacted law summaries of the LDs enacted or finally passed are provided. Finally, an appendix provides a summary of relevant session statistics.

The final disposition of each LD is noted in the relevant summary digest and index. The following describes the various final actions.

LD 2088 An Act to Change the Number of Agency Liquor Stores Allowed in Certain Municipalities and to Convene a Stakeholder Group Regarding Licensing and Operations

ENACTED LAW SUMMARY

Public Law 2023, chapter 550 increases from six to seven the number of agency liquor stores the Department of Administrative and Financial Services, Bureau of Alcoholic Beverages and Lottery Operations may license in a municipality with a population over 10,000 but less than 15,001. It authorizes the bureau to issue one additional agency liquor store license to any municipality instead of to only a municipality with a population of less than 10,000. In determining whether to issue an additional license, the bureau may consider any information provided by the municipality requesting an additional agency liquor store license instead of only considering the impact of seasonal population or tourism and other related information.

Public Law 2023, chapter 550 also directs the bureau to convene a stakeholder group to examine how agency liquor stores are licensed and operated in order to better understand how they are distributed throughout the State and to evaluate the effectiveness of the current system for consumers, the general public, local law enforcement officials, municipalities, the State and entities licensed in this State for the sale of liquor.

Public Law 2023, chapter 550 was enacted as an emergency measure effective March 19, 2024.

LD 2108 An Act to Amend Maine's Charitable Organization Gaming Laws

ENACTED LAW SUMMARY

Public Law 2023, chapter 578 provides that more than one registrant may operate a game of chance at the same time on the same premises and that, when games of chance are to be operated during the annual fair of an agricultural society, the agricultural society must determine the number of registrants permitted to operate a game of chance. It also provides that a bona fide nonprofit organization may operate a registered game of chance to which the general public has access no more than four times in a calendar year for a period not to exceed the duration of the annual fair of an agricultural society or the duration of a special event, rather than for a period not to exceed four consecutive days.

Public Law 2023, chapter 578 makes other technical changes to provide clarity to the provisions related to the imposition of a fine of not more than \$100 per violation on a beano or game of chance licensee or registrant or a licensee's or registrant's agent or employee that has violated the laws or rules governing beano or games of chance, subject to an appeal and hearing before the Commissioner of Public Safety, and to provisions allowing the issue of the imposition of such a fine to be resolved by the execution of a consent agreement.
