LEGISLATIVE DIGEST OF BILLS AND SUMMARIES OF ENACTED LAWS

This *Legislative Digest of Bills and Summaries of Enacted Laws* provides the disposition of all LDs and summaries of all laws enacted or finally passed during the Second Regular Session of the 131st Maine Legislature. Please note that all LDs and proposed amendments may be found through the Legislature's webpage, and each includes a summary of what the bill or amendment proposed.

The *Legislative Digest of Bills and Summaries of Enacted Laws* is arranged alphabetically by committee. Within each committee section is a subject index of all LDs considered by that committee as well as a digest of the LDs, arranged by LD number. Also included are enacted law summaries of the LDs enacted or finally passed. Brief analyst notes on certain LDs are also included: a committee digest will indicate if additional notes are provided for an LD. These notes add information staff found useful and may provide useful information to users of this *Digest*; please note that most LDs do not have a note and lack of a note should not be interpreted as having any significance. A separate section of the *Digest* provides a digest of the relatively few LDs that were not referred to a committee or reported from a committee as a committee bill; enacted law summaries of the LDs enacted or finally passed are provided. Finally, an appendix provides a summary of relevant session statistics.

LD 2147 An Act to Change the Requirement for Edible Cannabis Products to Be Stamped or Embossed on Each Serving with a Universal Symbol

ENACTED LAW SUMMARY

Public Law 2023, chapter 641 changes the requirement that each individual serving of an edible cannabis product be stamped or embossed with a universal symbol. In place of stamping or embossing each individual product, an edible cannabis product may be individually wrapped or blister packaged with the symbol embossed or stamped on the wrapping or packaging.

Public Law 2023, chapter 641 allows the Department of Administrative and Financial Services, office of cannabis policy to identify, by rule, edible cannabis products that are impracticable to emboss or stamp or to individually wrap or blister package. Such products may be packaged together with the universal symbol on the package label. The law identifies potato or corn chips, popcorn, pretzels, loose granola and gummies as impracticable to emboss or stamp or to individually wrap or blister wrap.

Public Law 2023, chapter 641 was enacted as an emergency measure effective April 21, 2024.
