LEGISLATIVE DIGEST OF BILLS AND SUMMARIES OF ENACTED LAWS

This *Legislative Digest of Bills and Summaries of Enacted Laws* provides the disposition of all LDs and summaries of all laws enacted or finally passed during the Second Regular Session of the 131st Maine Legislature. Please note that all LDs and proposed amendments may be found through the Legislature's webpage, and each includes a summary of what the bill or amendment proposed.

The *Legislative Digest of Bills and Summaries of Enacted Laws* is arranged alphabetically by committee. Within each committee section is a subject index of all LDs considered by that committee as well as a digest of the LDs, arranged by LD number. Also included are enacted law summaries of the LDs enacted or finally passed. Brief analyst notes on certain LDs are also included: a committee digest will indicate if additional notes are provided for an LD. These notes add information staff found useful and may provide useful information to users of this *Digest*; please note that most LDs do not have a note and lack of a note should not be interpreted as having any significance. A separate section of the *Digest* provides a digest of the relatively few LDs that were not referred to a committee or reported from a committee as a committee bill; enacted law summaries of the LDs enacted or finally passed are provided. Finally, an appendix provides a summary of relevant session statistics.

The final disposition of each LD is noted in the relevant summary digest and index. The following describes the various final actions.

LD 2284 An Act to Implement Recommendations in the Department of Inland Fisheries and Wildlife's Report on Wake Boats

ENACTED LAW SUMMARY

Public Law 2023, chapter 611 makes the following changes to implement recommendations in the Department of Inland Fisheries and Wildlife's report on wake boats.

1. It defines "wakesurfing activity."
2. It requires that information related to boater safety and education courses be provided at the time of purchase of a motorboat from a dealer in the State.
3. It prohibits a person from operating a motorboat in less than 15 feet of water or within 300 feet of the shoreline when the motorboat is engaged in wakesurfing activity.
4. It directs the Department of Inland Fisheries and Wildlife to develop an outreach program to provide boater safety and education to persons engaged in wakesurfing activities and to submit a report focused on wake boats and wakesurfing activities in the State to the joint standing committee of the Legislature having jurisdiction over inland fisheries and wildlife matters no later than February 1, 2027. The committee is authorized to report out a bill based on this report to the 133rd Legislature in 2027.
