**ENACTED LAW SUMMARY**

Public Law 2025, chapter 208 modifies the provision of law related to carrying forward general operating fund unallocated balances at the end of a school administrative unit's fiscal year. Prior to the enactment of Public Law 2025, chapter 208, unallocated balances in excess of 5% of the previous fiscal year's school budget had to be used to reduce the state and local share of the total allocation for the purposes of computing state subsidy and school boards could carry forward unallocated balances in excess of 5% of the previous year's school budget and disburse the funds over a period not to exceed three years, except for in fiscal years 2021-22, 2022-23, 2023-24 and 2024-25, during which time the applicable percentage threshold was 9% of the previous year's school budget, not 5%. Public Law 2025, chapter 208 modifies this provision to provide that the temporary percentage threshold of 9% applies to all future fiscal years.
