JOINT STANDING COMMITTEE ON STATE AND LOCAL GOVERNMENT

3. It establishes a preliminary review process to be completed by the State Human Resources Officer when a request for a recruitment and retention adjustment is filed. The purpose of the preliminary review is to determine the extent to which vacancy rates, turnover rates or other workforce indicators identified in the request are attributable to certain conditions that would not require a committee to be formed to evaluate the request. This preliminary review process must be completed within 30 days following the receipt of the request.
4. It requires a recruitment and retention adjustment to be reviewed at least every four years in alignment with the market pay study required pursuant to the Maine Revised Statutes, Title 5, section 7061, subsection 4, paragraph B and adjusted to changes in the labor market or the overall relation of the standard pay policy to the specialized labor market.
5. It establishes an appeals process for decisions of the State Human Resources Officer.
6. It establishes that if resources within a department or agency budget do not exist to fund an approved adjustment, the State Human Resources Officer must submit the cost items for inclusion in the Governor's next operating budget. If the Legislature does not appropriate the requested funds, the department or agency is not obligated to make the adjustment.

LD 1934 An Act to Promote Responsible Outdoor Lighting

Effective September 30, 2026, Public Law 2025, chapter 516 requires that public outdoor lighting installed or replaced after October 1, 2026 comply with certain standards, including standards established by the American National Standards Institute and the Illuminating Engineering Society, intended to reduce the amount of unnecessary light emitted. It includes exemptions for certain types of lighting such as outdoor sports lighting, temporary lighting and required and emergency lighting. The law directs certain departments to adopt rules to implement the requirements of the law. It also provides that a municipality in the State may adopt a local ordinance to promote compliance with the provisions of this law and allows a municipality to adopt ordinances that are stricter than those required by the law.

Public Law 2025, chapter 516 was finally enacted in both the House and the Senate prior to the adjournment sine die of the First Special Session in 2025 but was not signed by the Governor. Pursuant to the Constitution of Maine, Public Law 2025, chapter 516 became law without the Governor's signature on January 11, 2026.
