JOINT STANDING COMMITTEE ON TRANSPORTATION

4. It specifies how disclosure requirements in state and federal law are applicable to an online used car dealer. It requires an online used car dealer that does not maintain a repair facility in Maine to disclose, in writing, to a vehicle purchaser the name, address and contact information of a designated repair facility or partner location authorized to perform required warranty service. The disclosure must be provided at or before the time of vehicle sale and include in the online used car dealer's warranty documentation.
5. It requires a motor vehicle sold by an online used car dealer to pass an inspection in Maine prior to sale, and it prohibits a reconstructable motor vehicle or an unsafe motor vehicle to be sold by an online used car dealer.
6. It requires an online used car dealer to obtain a license for an inspection station in Maine or to partner with an inspection state or service center in Maine prior to applying for licensure. An online used car dealer that fails to obtain a license for an inspection station in Maine or partner with an inspection station in Maine may have the online used car dealer license revoked.
7. It specifies consumer protection requirements of an online used car dealer, including requiring an online used car dealer to designate an agent registered in Maine to accept service of process and requires the name and contact information of the registered agent to be provided to the Bureau of Motor Vehicles.
8. It allows the Secretary of State to adopt routine technical rules to implement the law, including licensing procedures, disclosure formats, inspection coordination and reporting requirements.
9. It requires the Secretary of State to submit a report to the joint standing committee of the Legislature having jurisdiction over transportation matters no later than January 15, 2028 evaluating the effectiveness, risks and consumer protection outcomes of online used car dealer licensure and regulation. The joint standing committee may report out legislation regarding the report to the Second Regular Session of the 133rd Legislature.
